

MEMBERSHIP TOOLKIT REGISTRATION

Membership Toolkit is a directory hosted by the PTO. It is the main way that the PTO communicates information and events. It also allows room parents to connect with the classes and Killam families to connect with each other.

How to get connected:

1. Go to the Killam Membership Toolkit main page at jwkpto.membershiptoolkit.com
2. Click "Register/Login" and create an account under new user. Fill out the form and click "Verify my email"
3. Get email confirmation, verify email, and sign in
4. Enter family information and finish registration by saying yes to publish and clicking "save"
5. Download the membership toolkit app on your mobile device to have access anytime.

Update your student's teacher!

After classroom assignments have been released, update your student's teacher under "my account". This does not automatically update each year.
